Global Health Student Panel Discussion

November 14, 2016
12:00-1:00 p.m.
Molecular Medicine Research Building
1220 E. Broad St.
Rooms 1009-1011

Come hear from students in the VCU School of Medicine about their experiences working on global health projects in Rwanda and Ecuador. Learn how you can get involved in global health.

Lunch will be provided for the first 40 registrants.

Sign up at https://redcap.vcu.edu/surveys/?s=H8TYKTA7DA

This event is coordinated by the VCU School of Medicine, Global Education Office, School of Pharmacy and Office of Research. Questions? Contact sharon.flores@vcuhealth.org.
