How can I afford to study abroad?

Studying abroad does not have to be expensive! VCU offers a variety of program options to fit most students' budgets and the Education Abroad office assists students with identifying and applying for funding. Consider the following:

- **Use what you already have!** Most financial aid and scholarships that you already receive can be used toward study abroad. Other sources of funding may also help: pre-paid tuition plans, veteran's benefits, etc.
- **Scholarships:** There are VCU scholarships to study abroad as well as nationally competitive scholarships. Begin your search on our site and at StudyAbroadFunding.org and DiversityAbroad.com
- **Program length:** Per day expenses are often less expensive on semester programs than on summer programs and airfare may cost the same regardless of the length of your stay

- **Program type:** Programs with more structure that include group activities or excursions may be more expensive than exchange programs which include tuition, room, and board.
- **Cost of living:** If you're looking to save money on studying abroad, avoid destinations with a high cost of living like capital cities and popular tourist destinations.
- **What's included?** When considering the cost of a program, determine what the program fee includes...and what it doesn't. Some are almost all-inclusive and will cover the cost of a cell phone, insurance, group excursions and welcome/farewell receptions whereas other programs cover only the basics.
